

Full-time Dental Assistants Required!
CFB SHILO

Location: CFB Shilo, near Brandon, MB

***This is a great opportunity to gain experience in a unique work environment!
Apply today!***

About the role:

Calian is pleased to be part of the health services industry in Canada. Our dynamic healthcare teams are made up of more than 550 professionals, offering services at over 30 locations across Canada.

As part of our Health Services Support Contract with the Department of National Defence, our team of professionals work in collaboration with military healthcare teams, providing services to Canadian Armed Forces members. Calian is currently seeking to hire civilian Dental Assistants to join the clinic at CFB Shilo.

Key activities include:

- Provide chairside dental assisting services
- Ensure efficient delivery of services by maintaining necessary equipment
- Provide information on dental hygiene and post-operative care instructions
- Perform sterilization and disinfection procedures on all dental instruments
- Provide administrative support relating to dental care and patient files
- Perform dental laboratory procedures

The Qualifications:

- Level II Dental Assisting trained from an accredited college or have NDAEB (National Dental Assistant Examining Board) certification.
- Must be licensed as a Dental Assistant in Manitoba and provide a copy of current license

Type of Assignment:

Full-time contract positions. These are civilian opportunities – no need to join the military! Current end date is August 2017.
